

Lisa

Eric Hutchinson

You never have to do
Anything we come to you
And the world outside revolves around sweet Lisa
And you never can be wrong
Cause we always play along
And I get myself in trouble just for Lisa

Lisa, what happens if you move away
I'm not gonna follow you cause things have got to change
Oh no, no, no, no, no, no
Lisa, what you trying to do to me
Everything is fine so what would make you want to leave
Oh no, oh no, no, no

You never have to lift
A finger you just sit
On your throne and make us come and bow to Lisa
You do not make attempts
Cause you say you are exempt
But I must admit I still can't get enough of Lisa

Lisa, what happens if you move away
I'm not gonna follow you cause things have got to change
Oh no, no, no, no, no, no
Lisa, what you trying to do to me
Everything is fine so what would make you want to leave
Oh no, oh no, no

Lisa, you say that everything just wears you out
Lisa, I wish I knew what you were talking about
Lisa, I can't blame you for the way that you have been
Why go out to face the world when you can, you can, you can order in

Lisa, what happens if you move away
I'm not gonna follow you cause things have got to change
Oh no, no, no, no, no, no
Lisa, what you trying to do to me
Everything is fine so what would make you want to leave
Oh no, oh no, no
Lisa, Lisa
Lisa, Lisa
Lisa, Lisa
No, no Lisa, Lisa
