

Forever Yours

Eric Johnson

Through the endless sea, pouring waves thunder a symphony
So I think of you, in my heart you know you'll always be
Wait that I might I'll be praying for your precious love
In my life, there won't be another I think of
Because I know I will always stay forever yours

Thru the highland mist to the magic strings of harmony
There two lovers meet, secretly unfold their majesty
Oh yeah, wait that I might, I'll be praying for your
precious love
In my life, there will be no other I think of
Cause I know, I will always stay forever yours

Oh I dream of you

And all my troubles chase into the wind
I send my love to you, I send my love to my forever
friend
And wait that I might, I am praying for your precious
love,
In my life, there will be no other I think of
Cause I know I will always stay forever yours
