

Hide Your Love Away

Eric Johnson

Here I stand head in hand
Turn my face to the wall
If she's gone I just can't go on
Feeling two-foot small
Everywhere people stare
Each and every day
And I hear them laugh at me
And I see them say

Hey, you've got to hide your love away
Hey, you've got to hide your love away

How can I even try
I can never win
Seeing them and I hearing them
In the state, I'm in
How could she say to me
Love can find a way
Gather round all you clowns
Let me hear you say

Hey, you've got to hide your love away
Hey, you've got to hide your love away
