

# Over the Moon

Eric Johnson

You're who I want  
You make me feel alive  
You're the dream coming true  
Now that I have you

Every single day  
My heart's gonna say  
You're the one for me  
Some might say suddenly

{Chorus}  
That I'm over the moon  
Hope you come back real soon  
Cause I'm over the moon for you

I've got a notion  
We share the same emotion  
Though I'm here apart from you  
It's just temporarily true

My heart's around you  
My arms are around you  
Return from far way  
Hope it soon might be the day

{Chorus}  
That I'm over the moon  
Hope you come back real soon  
Cause I'm over the moon for you

While you're away  
It's a {?} kind of day  
Cause I shouldn't miss you  
And I can't kiss you  
There's plenty around  
In this town  
But it's not the same without you

I've got a notion  
We share the same emotion  
Though I'm here apart from you  
It's just temporarily true

My heart's around you  
My arms are around you  
Return from far way  
Hope it soon might be the day

{Chorus}  
That I'm over the moon  
Hope you come back real soon  
Cause I'm over the moon for you

{Chorus}  
I'm over the moon  
Hope you come back real soon  
Cause I'm over the moon for you
