

# Showdown

Eric Johnson

Lived in Santa Fe  
Jacob never wore his side guns  
Till news broke out  
Black Bart was back in town  
Bart was gunning for the sheriff  
Revenge burned in his eyes  
Rosie tried to stop the Marshall  
As he left tears fell from her eyes  
Showdown in town  
Don't you lose your life  
Put down your gun  
Stay inside tonight  
Jacob's men were on the rooftop  
With artillery  
Shots rang out Bart's men were fallin'  
Someone's callin' Marshall's  
On the ground  
And Rose ran up to him and cried  
Oh Lord  
Oh will you ever see  
Oh what you mean to me  
And will we always be together  
Oh together  
Chorus  
Showdown in town  
Lord what have they done  
Cause in the end  
No one really won
