Long ago, and, oh so far away
I fell in love with you
Before the second show
Your guitar, it sounds so sweet and clear
But you're not really here
It's just the radio
Don't you remember you told me
You loved me baby?
You said you'd be coming back
This way again baby
Baby, baby, baby, baby, oh, baby
I love you, I really do
Loneliness is such a sad affair
And I can hardly wait
To be with you again
What to say, to make you come again?
Come back to me again
And play your sad guitar
Don't you remember you told me
You loved me baby?
You said you'd be coming back
This way again baby
Baby, baby, baby, baby, oh, baby
I love you, I really do
Don't you remember you told me
You loved me baby?
You said you'd be coming back
This way again baby
Baby, baby, baby, baby, oh, baby
I love you, I really do
