On a sunny and bright day
You were standing next to me, close enough to touch
For a moment, I couldn't speak, as if something came over me
Then I happily chatted away

Were we that kind of couple?
Like a familiar and warm wind on a white spring day
You're my dream, I can't reach you now
But I won't be far so we can meet again, come see me again

You lived near the Han River so I got a place near there too
My friend said he visited you and asked me to go too, shaking up my heart

Were we really a couple?
You're like a sweet fantasy that came with the white sunlight
You're my dream, though we're at different places
I want to see you so I try to sleep again, come see me again

Thank you for coming to see me even in my dreams
You look good, you're smiling brightly, it's a relief

Were we that kind of couple?
Like a familiar and warm wind on a white spring day
You're my dream, I can't reach you now

But I won't be far so we can meet again
We were…

You're like a sweet fantasy that came with the white sunlight
You're my dream, though we're at different places
I want to see you so I try to sleep again, come see me again
