

Missing You

Eric Nam

I don't know if I can do this
Can't tell if I have the strength
I think it's been about a month now
Since I've seen your face

I'm still sleeping on the left side
Leave the right open for you
Your perfume is on the sheets still
And all of you

I'm missing you
I'm missing you, oh
I'm missing you, oh
Just give me one more shot

I can't throw away your toothbrush
Something's sitting in the way
And every time I hear Oasis
I see your face

I know I said I needed some time
To figure things out, yeah
The truth is that I want you
More than ever right now, right now

I'm missing you
I'm missing you, oh
I'm missing you, oh
Just give me one more shot

(I'm missing you)

I'm missing you
I'm missing you, oh
I'm missing you, oh
Just give me one more shot
