Pour it up, that potion

Raise the volume, dim the lights
Flip over your phone, it's only this moment, nothing else

Fill your glass, drench your body
Drinking this potion, I wanna wash you out

Cause we're young and wild
It's too early to sleep, tomorrow is far away
Pour it up, pour it up

I'm gon be all right
It's too early to stop, it's ok to cry
Pour it up, pour it up

Tonight's the last time I'll think of you
Let's go one more round, pour it up, pour it up
The saying time is medicine is a lie
The answer is in this madness
Pour it up, that potion

Your voice, the sound of your laughter
It keeps circling around me
I can't get through the night sober

In case I go crazy, I'm going crazy
I'm going hard again today
Cause I wanna escape from you

Cause we're young and wild
It's too early to sleep, tomorrow is far away
Pour it up, pour it up

I'm gon be all right
It's too early to stop, it's ok to cry
Pour it up, pour it up

Tonight's the last time I'll think of you
Let's go one more round, pour it up, pour it up
The saying time is medicine is a lie
The answer is in this madness
Pour it up, that potion

Cause we're young and wild
Let's drink in this moment
I'm sick of this, let's say cheers once again tonight, pour it up
Giving me that breathtaking look, pour it up
Yeah, we need to talk
Burn up all the thoughts that bother you
After you empty your glass, like my neck, that's cool
Go crazy tonight, drink and get drunk, into the vibes and the light
Forget about it, after you wake up
It'll all be just a dream

Tonight's the last time I'll think of you
Let's go one more round, pour it up, pour it up
The saying time is medicine is a lie
The answer is in this madness
Pour it up, that potion
