

# Runaway

Eric Nam

If you runaway, runaway  
Don't tell me that you want  
Don't tell me that you want me back

I coulda guessed you would  
You're predictable  
So predictable  
That you don't think I could  
Put you out like that  
Like a cigarette

I gave you everything you ever wanted  
You left me behind  
Now you wanna come back and jump on it  
No not not this time

If you runaway, runaway  
Don't tell me that you want  
Don't tell me that you want me back  
If you runaway, runaway  
Don't tell me that you want  
Don't tell me that you want me back

Keep blowing up my phone  
Do you think that I'm  
Picking up this time  
You push and pull me  
Think you control me, no  
But you don't, but you don't

I gave you everything you ever wanted  
You left me behind  
Now you wanna come back and jump on it  
No not not this time

If you runaway, runaway  
Don't tell me that you want  
Don't tell me that you want me back

If you runaway, runaway  
Don't tell me that you want  
Don't tell me that you want me back

You could go  
You could stay  
But you should know  
If you runaway, runaway  
Don't tell me that you want  
Don't tell me that you want me back

If you runaway, runaway  
Don't tell me that you want  
Don't tell me that you want me back

If you runaway, runaway  
Don't tell me that you want  
Don't tell me that you want me back

You could go  
You could stay  
But you should know  
If you runaway, runaway  
Don't tell me that you want  
Don't tell me that you want me back
