

Amarillo Rain

Eric Paslay

Nothin' in the sky
Another dry lonely day
Deep down inside
I miss the Amarillo Rain
I miss your voice
Sayin' it's OK
There ain't nothin' here
But a man and his mistakes

And Amarillo Rain
Fallin' from the sky
Driftin' through my dreams
When I close my eyes
I've wondered far far away
I miss your face
Amarillo Rain

A cold empty church
Out in Mexico
Abandoned through the years
That's how I feel in my soul
All I know to say
Is I pushed your love away

There ain't nothin' here
But a man and his mistakes

And Amarillo Rain
Fallin' from the sky
Driftin' through my dreams
When I close my eyes
I've wondered far far away
I miss your face
Amarillo Rain

Amarillo Rain
Fallin' from the sky
Driftin' through my dreams
When I close my eyes
I've wondered far far away
I miss your face
Amarillo Rain

You're my Amarillo Rain
Amarillo Rain
Amarillo Rain
Amarillo Rain
