

# Everything With You

Eric Paslay

Eh-eh-eh-eh-eh-eh-eh-eh-eh  
Eh-eh-eh-eh-eh-eh-eh-eh-eh

Sometimes I'm a sinner, sometimes a saint  
Sometimes I'm a winner, Lord knows sometimes I ain't  
Sometimes I'm helpless, sometimes I'm strong  
Sometimes it takes too long to know I'm right where I belong

Yeah, I've been crazy, lost in a neon dream  
I've been right and wrong, both sides are gone  
And I fall down and everytime in between  
Yeah, I've been reckless, found, runnin' from the truth  
Been lovin' high on the wildest side  
But on and on, I'm everything with you

(Yeah yeah yeah ah ah, yeah ah)  
Everything with you (Yeah yeah yeah ah ah, yeah ah)  
Oh oh, yeah (wooh)

Sometimes I'm a lover, sometimes I play it cool  
Sometimes I know it all, but Lord knows sometimes I'm just a fool  
Sometimes the heart knows what it wants, the mind's tellin' me to kiss you (wooh)

Yeah, I've been crazy, lost in a neon dream  
I've been right and wrong, both sides are gone  
And I fall down and everytime in between  
Yeah, I've been reckless, found, runnin' from the truth  
Been lovin' high on the wildest side  
But on and on, I'm everything with you

(Yeah yeah yeah ah ah, yeah ah)  
Everything with you (Yeah yeah yeah ah ah, yeah ah)  
Oh oh, yeah (wooh)

Sometimes I'm a sinner, sometimes a saint  
Sometimes I'm a winner, Lady Luck's lookin' my way

Yeah, I've been crazy, lost in a neon dream  
I've been right and wrong, both sides are gone  
And I fall down and everytime in between  
Yeah, I've been reckless, found, runnin' from the truth  
Been lovin' high on the wildest side  
But on and on, I'm everything with you

(Yeah yeah yeah ah ah, yeah ah)  
Everything with you (Yeah yeah yeah ah ah, yeah ah)  
Oh oh, yeah (wooh)
