

Heartbeat Higher

Eric Paslay

You're the kind of rush the buzz is all about
You're the kind of sweet dream the night can't do without
Baby, fan that fire
Come on, come on, come on
Take my heartbeat higher
Come on, come on

I get to you, you get to me
Can't help but chase the mystery
Let's turn a sunset kiss into a midnight choir
Light finds the day, night finds the moon
I wanna find me next to you
Aw, baby, baby, ooh, takin' my heartbeat higher
Takin' my heartbeat, takin' my heartbeat
Takin' my heartbeat higher
Takin' my heartbeat (Beat), takin' my heartbeat
Takin' my heartbeat higher

Ooh, ooh, ooh, yeah

Flying next to you
Heaven underneath
Close enough to feel
Nothin' in between

I get to you, you get to me
Can't help but chase the mystery
Let's turn a sunset kiss into a midnight choir
Light finds the day, night finds the moon
I wanna find me next to you

Aw, baby, baby, ooh, takin' my heartbeat higher
Takin' my heartbeat (Beat), takin' my heartbeat
Takin' my heartbeat higher
Takin' my heartbeat (Beat), takin' my heartbeat
Takin' my heartbeat higher

Baby, fan that fire
Come on, come on, come on
Take my heartbeat higher, come on
Baby, fan that fire
Come on, come on, come on
Take my heartbeat higher, oh

I get to you, you get to me
Can't help but chase this mystery
Let's turn a sunset kiss into a midnight choir
Light finds the day, night finds the moon
I wanna find me next to you
Aw, baby, baby, ooh, takin' my heartbeat higher
Takin' my heartbeat (Beat), takin' my heartbeat (Beat, beat)
Takin' my heartbeat higher
Takin' my heartbeat (Beat), takin' my heartbeat
Takin' my heartbeat higher
Takin' my heartbeat (Beat)
Oh, takin' my heartbeat higher
Takin' my heartbeat (Beat)

Takin' my heartbeat higher
