

# Just Once

Eric Paslay

Just once  
I wanna sleep 'til I wake up  
On a beach of ocean front  
Where no one needs a clock  
Just once  
I wanna lose all track of time  
I wanna leave the past behind  
And be good with what I got

But do you think about me  
Like I think about you now

Just once  
Did you take a double take on us  
Just once  
Did you wish that we could make up  
Just once  
Cause I do I do I do believe  
You only fall in love like us  
Just once  
Yeah yeah yeah  
Just once oh

Just once  
I wanna party in a pent house  
With the rolling stones on my couch  
Still passed out cause we rocked out to get over you  
For once  
I don't wanna wake up with you  
Only in my head to miss you  
Knowing that my heart can't have you can't kiss you

Just once  
Did you take a double take on us  
Just once  
Did you wish that we could make up  
Just once  
Cause I do I do I do believe  
You only fall in love like us just

Once upon a time I kissed your lips you kissed me back  
Once upon a time I had the best I've ever have  
Once upon a time I let a perfect angel go  
Once upon a time I told myself I told you so

Just once  
Did you take a double take on us  
Just once  
Did you wish that we could make up  
Just once  
Cause I do I do I do believe  
You only fall in love like us  
Just once  
Yeah yeah yeah  
Just once oh

You only fall in love, only fall in love like us

Oh baby  
Just once  
Just once
