

22 that my shoes
Euro step my move
I just copped a ring
Yea my fingers hoop
Onto finer things
That just what I do
Went and downed like 3
Me and my brothers shoot

22 that my shoes
Euro step my move
I just copped a ring
Yea my fingers hoop
Onto finer things
That just what I do
Went and downed like 3
Me and my brothers shoot

Yea my fingers hoop
Onto finer things
That just what I do
Went and downed like 3
Me and my brothers shoot

22 that my shoes
Euro step my move
I just copped a ring
Yea my fingers hoop
Onto finer things
That just what I do
Went and downed like 3
Me and my brothers shoot
