

80 Proof

Eric Reprid

Late night
I like chasin' bags in the late night
You want me to tell you that you all mine
That all these new girls don't feel right
80 proof talkin' now you all mine
Know you don't play both sides
And I don't wanna waste your time
But I'm tryna see if you a rider
Sick of all the distance and I'm tryna be beside ya

Baby I'm too fucked up
I don't know what I'm sayin' but I know I'm being honest
I know you be sprung up
I know you want love
But I

Told you wait
Please don't run away
'Cause I don't wanna rush into this thing
I'll put these hoes away
For a rainy day
But first I gotta know if you gon' stay
Come take over my brain
'Cause I don't wanna think
About this fuckin' ice cold world that we in
Heart full of all this hate
Fuck they lemonade
I like sippin' 80 proof straight with no chase
Oh oh oh oh

I like sippin' 80 proof
Pour that shit up till I black out then I tell the truth
Fuck these runners and these stunners I just wanna know ya
One and done 'em but I need someone to get up closer
This shit new to me you know
I don't wanna lose my control
I swear that you found me at my lowest
When I'm sober I don't ever show it

Told you wait
Please don't run away
'Cause I don't wanna rush into this thing
I'll put these hoes away
For a rainy day
But first I gotta know if you gon' stay
Come take over my brain
'Cause I don't wanna think
About this fuckin' ice cold world that we in
Heart full of all this hate
Fuck they lemonade
I like sippin' 80 proof straight with no chase
Oh oh oh oh

Baby I'm too fucked up
I don't know what I'm sayin' but I know I'm being honest
I know you be sprung up
I know you want love

But I

Told you wait
Please don't run away
'Cause I don't wanna rush into this thing
I'll put these hoes away
For a rainy day
But first I gotta know if you gon' stay
Come take over my brain
'Cause I don't wanna think
About this fuckin' ice cold world that we in
