Eric Reprid

(Riddy Go!)

Threw me pussy 'cause that bitch be a cougar
Shawty on me but I'm busy seeing through her
I love money bitches fucking up my mood
In the Hills tryna fuck these hoes in twos
Shawty mixing pills, tryna kill her feelings all right here
Know when shit get real, that lil' bitch be dipping out of here
Stacking up these bills, but she letting Jesus take the wheel
I might hit it still, but we both really knowing what's the deal

Call a Uber
I've been in the heat feeling cooler
Know these bitches wet like the Hoover
Taking hella shots with no Ruger

If I slide on a hoe I'm gon slide on a cougar
Bad bitch giving brains like a tutor
Shorty taught me how to act and maneuver
Lil' bitch got me hooked like a user
Oo

Turning 43 and she still in the streets (huh)
Shorty is a freak, not my love, Billie Jean
And baby not no angel, she synthetic like Alita
She want me to film it like she Gina Valentina yeah
I was down like yeah
Took it down like yeah
But then I'm out of there
I make women cry but I don't fucking care
I shed all my hoes and I don't shed a tear
'Cause I got cougars out here showing how to fuck they rear

So call a Uber
I've been in the heat feeling cooler
Know these bitches wet like the Hoover
Taking hella shots with no Ruger

If I slide on a hoe I'm gon slide on a cougar

Lil' bitch got me hooked like a user
