

# Don't Get Too Close

Eric Reprid

Don't get too close  
'Cause there's a lot you don't know  
Don't get too close  
'Cause there's a lot you don't know

I'm antisocial these days  
I don't like talkin'  
You better keep walking  
'Cause there ain't a lot we can say  
I promise my secrets is safe  
Ain't nobody takin' my place  
You tell pretty lies  
And I see through yo smile  
You got envy wrote all on yo face  
Yeah  
'Cause ever since me and my bruddas got paid  
People keep callin' tryna eat from my plate  
And bitches keep comin' back tryna save face  
I gotta stay hip, I don't got time to waste  
And I got some things that been keepin' me awake  
So I ain't been asleep in like 6 whole days  
There be some baggage I don't know if you can't take  
Bitch I don't know you like that so stay away

Don't get too close  
'Cause there's a lot you don't know  
Don't get too close  
'Cause there's a lot you don't know

Only keep family beside me  
'Cause all of you folk never liked me  
Now my life a movie no Spike Lee  
And I'm out here shootin' like 23  
Can't let these people entice me  
You don't wanna try to get to know me  
'Cause I got some hate inside me  
And I'm pretty sure this finna get ugly  
'Cause I was up late night  
Slept in the day time  
I was up cooking till daylight  
And money I make mine  
Excuses I make up  
'Cause baby it's hard to go make time  
I pray that they never gon' cross me  
I swear that they never really loved me  
So I can't really trust nobody  
I had to get good by my lonely

Don't get too close  
'Cause there's a lot you don't know  
Don't get too close  
'Cause there's a lot you don't know  
Don't get too close  
'Cause there's a lot you don't know
