

## I Need You Around (Interlude)

Eric Reprid

Talking to the walls inside my house  
And I don't even know what it's about  
The voices in my head be gettin' loud  
And I can't find a way to get 'em out

(Ooooooh aaaaaah)  
I think I might drown in this house  
I think I might drown in this doubt  
I need you around  
(Ooh aaah)

Visions of my parents getting old  
Haunted by the things I can't control  
Money never finna fix my soul  
But I need it right now

(Ooooooh aaaaaah)  
I think I might drown in this house  
I think I might drown in this doubt  
I need you around  
(Ooh aaah)

Bitch don't leave me now  
Bitch don't cut me out  
Okay!

(Ooooooh aaaaaah)  
I think I might drown in this house  
I think I might drown in this doubt  
I need you around  
(Ooh aaah)
