

## June Blues

Eric Reprid

Down  
Yeah  
I been feelin' so, I been feelin' so  
Down  
Yeah  
Can you tell me why, can you tell me why  
I'm down  
Yeah  
No friends of mine, no friends of mine  
Around  
Yeah  
Now I'm thinkin' I, now I'm thinkin' I

Might've caught the June Blues  
Yeah I wanna  
Drown myself inside the juice  
Yeah you know I  
Keep on runnin' from the truth  
What's that now  
I'm just a lonely fuckin' youth  
Now when I drive around don't feel at all  
Why it's gettin' colder when the sun come out  
Might just waste away don't know what life about  
'Nother day go by don't know what got me down

June Blues yeah  
I got the June Blues yeah  
Walk 'round like who you yeah  
Just somethin' you get used to yeah  
Go blame the  
June Blues yeah  
It's just the June Blues yeah  
Walk 'round like who you yeah  
Just somethin' you get used to

Breakin news got me breakin' breakin' breakin' breakin'  
I was present hopeless prayin' prayin' prayin' prayin'  
Struck down at 20 plenty left to put behind you  
You ain't peaked death was peekin' now they speakin' bout you  
Leave it 'lone  
Hope you grinnin' while you watch yo vros  
On some soulful sunny shit to brighten up a wounded soul  
Honest you did plenty uh  
Pick it up like Chevy uh  
New age Machiavelli uh  
Disagree don't tempt me uh  
Now you with Infinity we 98'  
Trust that he be good  
On the ball like bb don't make no mistakes  
Got the faith  
The 18th just not gon' be the same  
Finna bleed down generations not gon' be in vain  
Too young  
Why you gotta go  
Why you gotta go  
I just wanna know  
I just wanna know now

Too numb  
Cryin' gettin' old  
Cryin' gettin' old  
Hope he freed yo soul  
Hope he freed yo soul

I might've caught the June Blues  
Yeah I wanna  
Drown myself inside the juice  
Yeah you know I  
Keep on runnin' from the truth  
What's that now  
I'm just a lonely fuckin' youth  
Now when I drive around don't feel at all  
Why it's gettin' colder when the sun come out  
Might just waste away don't know what life about  
'Nother day go by don't know what got me down

June Blues yeah  
I got the June Blues yeah  
Walk 'round like who you yeah  
Just somethin' you get used to yeah  
Go blame the  
June Blues yeah  
It's just the June Blues yeah  
Walk 'round like who you yeah  
Just somethin' you get used to
