

## Party

Eric Reprid

I'm a lost boy like Rufio  
Dub that bitch she a groupie hoe  
I can't be no Romeo  
Kill yourself I gotta go  
(Woah)  
The head so dumb I thought she retarded  
Smokin' on purp I'm smokin' on Barney  
Bitch I'm stoned just like the Blarney  
(Woah)  
She said Riddy you so damn gnarly  
If I see my opp at a party  
He ain't gon' party

Came from the V to LA still rockin' my Canada Goose  
I done had a whole lotta X tonight just so I could tell you the  
truth  
I been up, up in that bitch  
And she don't give a fuck about you  
Said that girl be the one for life but she won't die for you  
She won't ever slide for you  
She won't even cry for you  
Look at the money that you been gettin' she barely gets by with  
you  
Look at that shit that you still drive she barely gon' ride wit  
h you  
Look at that watch that you still rock she barely got time for  
you  
And I  
And I pour up 'till I can't feel shit no more  
She wanna hoe up, baby tryna fuck me on the floor  
Bro done switched up, now I can't trust a soul no more  
I done gave up on love so I told that hoe
