

# Pay Me

Eric Reprid

Shawty I know you gon' hate me  
I'm finna whip a Mercedes  
Bet I be drivin' you crazy  
Got this shit out of the gutter  
Did it for me and my bruddas  
Lovin' the way that you hate me  
Baby it's feelin' amazin'  
Feelin' amazin'  
But I got pain  
I got pain pain pain so you gon' pay  
Look at the way way way you done made me  
Tellin' me stay stay stay bitch stay away  
Or you gon' pay pay pay pay bitch you gon' pay me

Hop out the whip no talkin'  
I know you always want something'  
Try to flee on me you buggin'  
And back then we ain't have nothin'  
But I told everybody it's comin'  
Now the 604 be jumpin'  
And it's fuck you bitch for runnin'  
'Cause I took a L and I swear that I lost it  
Bitch kick rocks lil' ho you toxic  
Can't fold I ain't got no options  
Big racks gon' fill up my pockets  
Left me like where did you go  
Did things that I'd never know  
You best go leave me alone

Shawty I know you gon' hate me  
I'm finna whip a Mercedes  
Bet I be drivin' you crazy  
Got this shit out of the gutter  
Did it for me and my bruddas  
Lovin' the way that you hate me  
Baby it's feelin' amazin'  
Feelin' amazin'  
But I got pain  
I got pain pain pain so you gon' pay  
Look at the way way way you done made me  
Tellin' me stay stay stay bitch stay away  
Or you gon' pay pay pay pay bitch you gon' pay me
