

POUR MY HENNY

Eric Reprid

I'm too drunk to pour my Henny bitch
Pour my fuckin' Henny
(Hahaha)

Bitch I was broke as fuck last winter
But I'm a mofuckin' bill printer
How I'm the only one that's claimin' the V
This pussy made a song that's hatin' on me
Bitch cut it off like a transgender
I'll get ya shot like a bartender
Why the fuck this whore toyin' with me
Bitch shut the fuck up and pour my Hennessy
Eeeee...

How's it legal that my Glock is 17
Pussy if you want the smoke know you won't breathe
If she ain't gettin' naked she can leave
Stupid bitch go and pour my Henne-ssy
