

Smoke Somethin

Eric Reprid

Yeah
Woah
Smoke
Smoke

Vision at the function gettin' blurred need to slow down
Grass and a buzz shit soundin' like its Motown
Go out
Go numb
Head ghost now
City old got visions of the coast now
Breakin'
I'm too faded
Maybe if I cut it off I could still save this
Talkin' to the pavement
With a girlie on my left side
And she sayin'

She just wanna smoke somethin'
She just wanna smoke somethin'
She just wanna smoke somethin'
She just wanna smoke somethin'
She just wanna

I just know
Yeah
This not how I'm bout to go out
Sipped fast now I'm feelin' slow
Yeah
Lil' Stella got me feelin' myself
Talk hits, I took more than one
Dm's, I ignored a bunch
'Cause I'm workin' on myself
All the same at the end of the day
I don't need to fill that space
Had learn it on my own
New problem keep me on my toes
Know she just wanna find some smoke
Takin' shots but they just a joke
We the only ones out movin'
Say you do but I don't see improvement
Boolin'
Out at BCT, what you doin'?
I'm just out right now gettin' stupid

She just wanna smoke somethin'
She just wanna smoke somethin'
She just wanna smoke somethin'
She just wanna smoke somethin'
She just wanna

I don't do well with it
I cannot tell with it
I might go and drink more just to deal with it
Ride waitin' outside
Left in no time
Pay that shit no mind

I be too high
Oh well
Big deal
Drink spilled
Don't feel
Still zoned headed home this shit gettin' old
Next day put in work get the shit I'm owed
Tell me was worth it?
Why you so nervous?
Lil' convo 'round lurkin'
Bridges down burnin'
Quick high turn that ash fast, gotta earn it
Shit ain't that perfect
Ego turn you to a weirdo
Talk down and I don't go near you
Don't like kush but she do yeah

She just wanna smoke somethin
She just wanna smoke somethin
She just wanna smoke somethin
She just wanna smoke somethin
She just wanna smoke somethin
She just wanna smoke somethin
She just wanna smoke somethin
She just wanna smoke somethin
She just wanna smoke somethin
She just wanna smoke somethin
She just wanna smoke somethin
She just wanna smoke somethin
(She just wanna)
