

SUKI

Eric Reprid

That chink a lame, that chink a bitch, that chink a pussy
We got henny, we got shanks, we got cookie (Yeah, yeah)
I fuck so much pussy, I might switch to bussy
The bitch is asian and I call her for some suki (Ay)

Badussy aroma all up on the sofa
If he force me, I'ma send that boy to Yoda
Leave him for me, bitch come over
Dub your pussy ex, I could give that boy some closure

I'm talkin' big brinks
I'm talkin' big bread
I'm talkin' big money, dummy, on his big head
This pussy lucky that lil' bitty don't play with lead
But when I'm rich, Benji Frank finna get him dead
Or I might DIY that shit instead
In the benz truck, blick tucked, like a fuckin' fed
Bitch, I'm all ears, I ain't hear what you're saying
Pussy think it's sweet, think it's soft, like a bread
Told you open up, but I ain't talkin' about them legs
I don't want no sex, I want the top
Everybody think it's soft, 'til I let this K-pop
Everybody filming me, but I'll show you it's not a prop, uh
That's my whore, she a slut, she a bop
She gon' soak it up and suck it up, just like a mop
The bitch ain't got bikini bottoms on, I feel like Bob
Used to play a switch, my life changed, we can't swap
I fucked the bitch 'til she can't walk
Everybody switchin' on me, so what?
His ex talked to my ex about the boy
Tryna get some dirt on me to fill the void

That chink a lame, that chink a bitch, that chink a pussy
We got henny, we got shanks, we got cookie (Yeah, yeah)
I fuck so much pussy, I might switch to bussy
The bitch is asian and I call her for some suki (Ay)
