

# Test Me

Eric Reprid

If a mo'fucka test me  
I'm gon' make his neck bleed  
All this weight be hefty  
I save for my best steez  
Always right no lefty  
Hoe don't stress me  
Double O.T  
I need more sleep

So don't test me  
I ain't want things to get messy yeah  
Drop down and leave yo ass empty yeah  
Like I just went and hit delete  
Come and test me

Hit you with that smite  
I'm inside a jungle  
I said yeah  
Lil' baby

She want fuck  
Don't be coming at me  
Skinny boy you need beef  
I went and dropped out the school  
Nobody be testin' me  
This not no quiz mo'fuckas actin' silly  
Made me show em' how it is, big bully in the city  
I'm gon' make it off the web like a spider went and bit me  
I know that she boring she just lucky that she pretty

If a mo'fucka test me  
I'm gon' make his neck bleed  
All this weight be hefty

Always right no lefty  
Hoe don't stress me  
Double O.T  
I need more sleep

Be a G  
To the grave  
Fucks you sayin'

You a stain  
To my bliss  
You won't need no sub if you tryna feel this kick  
Chasin' all this cheese and I like my bitches Swiss  
Money be my hoe when I make her do the splits  
Punchin' in my hours bitch we only making hits (yeah)  
Fightin' my wave you a feather weight fuck around and drown in my piss  
I'ma go and flood that bitch  
Pussy boy make you hiss  
You gon' get dismissed  
Waste yo time to be hip  
I'ma go and handle my biz  
See em tryna get on they glitz  
They ain't gon' grow to be shit

If a mo'fucka test me  
You won't see me stressin'
