

# We Met Too Young

Eric Reprid

We met too young  
And our hearts be broken  
Leavin' it open to save this love  
Friends sayin' its toxic  
But there's no option of givin' you up  
And if we finna grow apart  
Then I don't wanna grow up  
But I was feelin' stuck  
Cause we met too young

We the same damn soul  
Told you I would never fall in love with no hoe  
Hate it was a hickey that done let you know  
I been in the streets fuckin' round with hoes  
Woah  
And you did the same thing to me  
I know them other guys ain't better than me  
Ain't nobody got you comin' harder than lil' Riddy  
Swear to God I be the hottest rapper in the city (huh)  
I can tell that this is probably hell  
Night terrors of me seein' you layin' with somebody else  
And we both terrified that we 'gon move on with someone else

Cause we met too young  
And our hearts be broken  
Leavin' it open to save this love  
Friends sayin' its toxic  
But there's no option of givin' you up  
And if we finna grow apart  
Then I don't wanna grow up  
But I was feelin' stuck  
Cause we met too young  
And our hearts be broken  
Leavin' it open to save this love  
Friends sayin' its toxic  
But there's no option of givin' you up  
And if we finna grow apart  
Then I don't wanna grow up  
But I was feelin' stuck  
Cause we met too young
