

# Beautiful

Eric Saade

You know we are, we are, we are, we are, we are, we are alright.

I can't believe it my shitty monday kinda feels alright .  
The way I'm feeling, I'm overheated but the breeze is nice.  
Getting high from the vibe.  
Above the cloud nobody's around no.  
Ain't gonna lie I'm scared of heights but I won't come down.  
You're the reason.  
The coldest winter feels like summer nights.

You know we are, we are beautiful, how beautiful is life.  
You know we are, we are beautiful, baby, how beautiful is life.  
You know we are, we are, we are, we are, we are, we are.  
You know we are, we are beautiful, Baby how beautiful is life.

It's like we're rose gold cuz' baby with no effort we still shine.  
And I see no road,so take the wheel and now enjoy the ride.  
Getting high above the vibe.  
Above the club Baby don't slow down, no.

We gotta try so I roll the dice,so we won't come down, you're the reason.  
The coldest winter feels like summer nights.  
You know we are.  
You know we are, we are beautiful, how beautiful is life.  
You know we are, we are beautiful, baby, how beautiful is life.  
You know we are, we are, we are, we are, we are.  
You know we are, we are beautiful, Baby how beautiful is life.  
You know we are.  
You know we are, we are beautiful, how beautiful is life.  
You know we are, we are beautiful, baby, how beautiful is life.  
You know we are, we are, we are, we are, we are.  
You know we are, we are beautiful. You know we are.  
You know we are, we are beautiful, how beautiful is life.

Gettin' high from the vibe.  
Nobody's around.  
Ain't gonna lie.  
I won't come down.  
High from the vibe.  
Baby don't slow down.

We gotta try.  
You know we are.  
You know we are, we are beautiful, how beautiful is life.  
You know we are, we are beautiful, baby, how beautiful is life.  
You know we are.  
You know we are, we are beautiful, how beautiful is life.  
You know we are, we are beautiful, baby, how beautiful is life.  
You know we are, we are, we are, we are, we are.  
You know we are, we are beautiful how beautiful is life.  
You know we are, we are, we are, we are, we are. (beautiful)  
You know we are, we are, we are, we are, we are. (beautiful)
