Like U Used To

Eric Saade

You don't want me like I want ya
You don't hold me like you used to do
Acting happy while we're dancing
Loving Molly to get in the mood, yeah

Gotta know
If you're dancing with me or alone
With me or alone
Moving slow
But I'm feeling good all on my own
Good all on my own

You don't lo-lo-lo-lo-love me
Like you used to do, you used to do
Lo-lo-lo-lo-love me
Like you used to do, you used to do
Lo-lo-lo-lo-love me
Like you used to do, you used to do
You don't lo-lo-lo-lo-love me
Like you used to do, you used to do

Getting higher, singing louder
By myself, while everyone's asleep
Wearing t-shirts that you're hating
Playing music, loud but ain't too deep, no no

Gotta know
If you're dancing with me or alone
With me or alone
Moving slow
But I'm feeling good all on my own
Good all on my own

You don't lo-lo-lo-lo-love me
Like you used to do, you used to do
Lo-lo-lo-lo-love me
Like you used to do, you used to do
Lo-lo-lo-lo-love me
Like you used to do, you used to do
Lo-lo-lo-lo-love me
Like you used to do, you used to do

Gotta know
If you're dancing with me or alone
With me or alone
Moving slow
But I'm feeling good all on my own
Good all on my own

You don't lo-lo-lo-lo-love me
Like you used to do, you used to do
Lo-lo-lo-lo-love me
Like you used to do, you used to do
