

Sleepless

Eric Saade

I've run away from you
Erased my love tattoo
But you're the one that makes my heart beat faster
It's just the games you play
That makes it hard to stay
I feel we're heading for complete disaster

Oh, I'm staying 'cause I need you
Oh, I do
Oh-oh-oh

You know my weakness
That is why I'm sleepless
Baby I'm thinking of your love
Oh-oh-oh
You know my weakness
That is why I'm sleepless
Baby I'm thinking of your love
Oh-oh-oh
Ohh-ohh
You know I'm sleepless
Ohh-ohh

I told you everything
Unlock, then let you in
That's how it is for me
It's all or nothing
I sort of lost control
I loved and you said 'no'
Are we okay or are we simply fading

I'm waiting for your answer
Oh, I do
Oh-oh-oh

You know my weakness
That is why I'm sleepless
Baby I'm thinking of your love
Oh-oh-oh
You know my weakness
That is why I'm sleepless
Baby I'm thinking of your love
Oh-oh-oh
Ohh-ohh
You know I'm sleepless
Ohh-ohh

I, I like to make myself believe
That you for once will think of me
Oh, and kiss me when I fall asleep

You know my weakness
That is why I'm sleepless, oh
You know my weakness
That is why I'm sleepless
Baby I'm thinking of your love, love

You know my weakness
That is why I'm sleepless
Baby I'm thinking of your love
Oh-oh-oh
You know my weakness
That is why I'm sleepless
Baby I'm thinking of your love
Oh-oh-oh

Ohh-ohh
You know I'm sleepless
Ohh-ohh
Ohh-ohh
You know I'm sleepless
Another sleepless night

You know my weakness
That is why I'm sleepless
Baby I'm thinking of your love
Oh-oh-oh
You know my weakness
That is why I'm sleepless
Baby I'm thinking of your love
Oh-oh-oh
Ohh-ohh
You know I'm sleepless
Ohh-ohh-ohhh
