

# Dancing In My Head

Eric Turner

That girl I shouldn't have let her go  
But she's still dancing in my head  
That girl I shouldn't have let her go  
But she's still dancing in my head

Oh, yeah, baby, keep on dancing, keep on dancing  
She's still dancing in my head  
Oh, yeah, sugar, keep dancing, keep dancing  
She's still dancing in my head

She's still dancing in my head

Sugar caught me by surprise  
Saying something in her eyes  
Feels like I just kissed the curse  
Met a girl and there ain't no words for her

Down the sunset, up the lights  
Eh, people, it ain't right  
I couldn't reach her anymore  
Why, people, didn't I let her know?

That girl I shouldn't have let her go  
But she's still dancing in my head  
That girl I shouldn't have let her go  
But she's still dancing in my head

Oh, yeah, baby, keep on dancing, keep on dancing  
She's still dancing in my head  
Oh, yeah, sugar, keep dancing, keep dancing  
She's still dancing in my head

Open doors materialized  
Disappear before my eyes  
I felt like I've been dealt the worst  
Hand, I do believe I have been cursed

That girl I shouldn't have let her go  
But she's still dancing in my head  
That girl I shouldn't have let her go  
But she's still dancing in my head

Oh, yeah, baby, keep on dancing, keep on dancing  
She's still dancing in my head  
Oh, yeah, sugar, keep dancing, keep dancing  
She's still dancing in my head

Keep dancing, oh, keep dancing, yeah  
Ah, don't stop dancing girl  
Don't stop, don't stop, don't stop, no  
Don't stop dancing girl  
Girl, don't stop dancing, no

Oh, yeah, baby, keep on dancing, keep on dancing  
She's still dancing in my head  
Oh, yeah, sugar, keep dancing, keep dancing  
She's still dancing in my head

She's still dancing in my head
