# Eye In The Sky

**Eric Woolfson**

Don't think sorry's easily said,
Don't try turning tables instead;
You've taken lots of chances before,
But I ain't gonna give anymore, don't ask me.
That's how it goes, 'cause part of me knows what you're thinkin'...

Don't say words you're gonna regret,
Don't let fire rush to your head;
I've heard the accusations before,
And I ain't gotta take any more, believe me,
The sun in your eyes made some of the lies worth believing...

I am the eye in the sky,
Looking at you--
I can read your mind;
I am the maker of rules,
Dealing with fools--
I can cheat you blind.
But I don't need to see any more to know that
I can read your mind... (looking at you...)
I can read your mind... (looking at you...)
I can read your mind... (looking at you...)
I can read your mind... (looking at you...)

Don't leave false illusions behind,
Don't cry, I ain't changing my mind.
So find another fool like before,
Cause I ain't gonna live anymore believing
Some of the lies, while all of the sides are deceiving...

I am the eye in the sky,
Looking at you--
I can read your mind;
I am the maker of rules,
Dealing with fools--
I can cheat you blind.
But I don't need to see any more to know that
I can read your mind... (looking at you...)
I can read your mind... (looking at you...)
I can read your mind... (looking at you...)
I can read your mind... (looking at you...)

(interlude w/ choir)

I am the eye in the sky,
Looking at you--
I can read your mind;
I am the maker of rules,
Dealing with fools--
I can cheat you blind.
But I don't need to see any more to know that
I can read your mind... (looking at you...)
I can read your mind... (looking at you...)
I can read your mind... (looking at you...)

I can read your mind... (looking at you...)

(repeat)

I can read you, I can read your mind, I can read you...
I can cheat you, I can cheat you blind, I can cheat
you...
I can read you, I can read your mind, I can read you...
I can cheat you blind... I can cheat you...
I can read your mind...
I can cheat you blind...
Yeah!
Read your mind!
