

# Standing On Higher Ground

Eric Woolfson

I know the truth, but I can't say  
And I have to turn my head and look the other way  
I'm not afraid, and I won't lie  
As long as I see no wrong I won't need to testify

I see the world  
And I'm looking from a high place  
Way above it all  
Standing on higher ground

I breathe the air  
While they're running in a rat race  
Way above it all  
Standing on higher ground

I feel the blow, but I don't speak  
And I have to close my eyes pretending I'm asleep

Well I see the tears, but I don't cry  
As long as I do no wrong I don't need an alibi

I see the world  
And I'm looking from a high place  
Way above it all  
Standing on higher ground

I breathe the air  
While they're running in a rat race  
Way above it all  
Standing on higher ground

Way above it all  
Way above it all  
On top of the world  
Standing in higher ground...
