Huh

Get outta there, Buggy

Pull up that account
He let me have it
I like big amounts
He wanna bag it
Speedin' through the south
Now he in traffic
Swipe it for the pussy
'Cause he know this pussy valid
Pussy valid
Yeah, this pussy valid
Pussy valid
Yeah, this pussy valid
Speedin' through the south
Now he in traffic
Swipe it for the pussy
'Cause he know this pussy valid

He's a tipper, teaser
Love to swipe a Visa
Love to pull up on me
When he up, he make it easy
He just wanna fuck with me
'Cause bitches never please him
Spend it like it's nothin'
Yeah, he fussin' when I leave him
I pop the pussy politely
Let a ho try me tonight and we fightin'
I like to get active with hoes, I ain't quiet
Push up for sure, we pull up from the Hyatt
Hit from the back and he diggin' up in it
Go like a pro from the south 'til I finish
Ran up a bill and I did with no feelings
He care 'bout the bread and I tell him I spend it, bitch

Pull up that account
He let me have it
I like big amounts
He wanna bag it
Speedin' through the south
Now he in traffic
Swipe it for the pussy

Bad girl do what a good girl don't
Bad girl could've took yo' ho

Racks in the trunk with the big doors on it
New truck with the big fours on it
I don't never try to keep in touch with a nigga
Big bread, I fuck with a nigga
I ain't never tryna be stuck with a nigga
That bitch go up on a nigga
Off of a fifty, I need me a hunnid (Huh)
Later he all in my stomach
Told me he rich and they told me he wasn't
Found out today he got money
He took me to Phipps and I bought out the building
Huh, 'cause he know how to get me
Look, eating me up and he wiping me down
And I love when he take out the Fenty

Pull up that account
