

Do You Believe In Love?

Erica Campbell

Do you believe in love
And the power that it gives?
Lord, I love You for life
'Cause Your love is why I live
Do you believe in love
And the power that it gives?
Lord, I love You for life
'Cause Your love is why I live

No, no, no, no, don't deserve it
But I'm forever grateful for it
You send Your son down give it
And it's the only reason I'm living
Say, nothing compares to You (to You)
And my soul sings "Hallelujah"
Alright, alright

Do you believe in love (do you believe?)
And the power that it gives? (Alright)
Lord, I love You for life
'Cause Your love is why I live (that is why I live)
Do you believe in love (and the power)
And the power that it gives?
Lord, I love You for life
'Cause Your love is why I live

Daily You pull my heart down to Your feet
No other place I'd rather be
Just want a closer walk with thee
And I'll tell the world

Nothing compares to You
And my heart sings "Hallelujah"

Do you believe in love
And the power that it gives? (Power)
Lord, I love You for life (I love, I love)
'Cause Your love is why I live (for the rest of my life)
Do you believe in love (I believe, yeah, I believe, yeah)
And the power that it gives?
Lord, I love You for life
'Cause Your love is why I live

And nothing compares to You
And my heart sings "Hallelujah"
It's Your love

Love You, love You, love You
Love You, love You, love You (hallelujah)
Love You, love You, love You
Sing "Hallelujah" (sing it with me saying)

Love You, love You, love You
Love You, love You, love You
Love You, love You, love You
Sing "Hallelujah" (let me hear you sing)

Love You, love You, love You
Love You, love You, love You
Love You, love You, love You
Sing "Hallelujah" (and when I was sinking)

Love You, love You, love You
Love You, love You, love You (and when I was drowning)
Love You, love You, love You
Sing "Hallelujah" (there was Your love)

Love You, love You, love You
Love You, love You, love You (oh, Your love)
Love You, love You, love You
Sing "Hallelujah" (oh yeah, love)

Love You, love You, love You
Love You, love You, love You (nothing like Your love)
Love You, love You, love You
Sing "Hallelujah" (You're liftin' me)

Love You, love You, love You
Love You, love You, love You (You're liftin' me)
Love You, love You, love You
Sing "Hallelujah" (when I was lost)

Love You, love You, love You
Love You, love You, love You (couldn't find my way)
Love You, love You, love You
Sing "Hallelujah"

Love You, love You, love You (Your love found me)
Love You, love You, love You (then it saved me)
Love You, love You, love You (and it rose me)
Sing "Hallelujah"

Love You, love You, love You (it healed me, then it filled me)
Love You, love You, love You (and it's real)
Love You, love You, love You (yes, it's real)
Hallelujah (Your love is real)

Love You, love You, love You (I know it's real)
Love You, love You, love You (yes, it's real, yeah)
Love You, love You, love You
Sing "Hallelujah" (I believe in)

Love You, love You, love You (I believe in)
Love You, love You, love You (there's no other like Your love)
Love You, love You, love You
Sing "Hallelujah"
