

Positive

Erica Campbell

Ooh-oooh

Feelin' sure, feelin' clear, feelin' positive
Feelin' free and complete from the love You give
No, You won't ever leave me I'm positive
I'm positive, yeah, I'm positive

Feelin' sure, feelin' clear, feelin' positive (Ooh-oooh)
Feelin' free and complete from the love You give
No, You won't ever leave me I'm positive (I'm positive)
I'm positive (I'm positive), yeah, I'm positive

I know who I am, and I know who I'm not
I know the difference between the two and it tells me a lot
I know who's on the throne, on the throne of my life
He tells me all the wrong lefts, and when to go right

He's a King, He's a God, He's the biggest
He's the truth, He's the light, He's the realest
When He tells me He loves me I feel it
Ain't nobody on this earth that can steal it, so I'm

Feelin' sure, feelin' clear, feelin' positive (Said I'm feelin', feelin')
Feelin' free and complete from the love You give
No, You won't ever leave me I'm positive (I'm positive)
I'm positive (Positive), yeah, I'm positive (Ooh-oooh)

Feelin' sure, feelin' clear, feelin' positive (Said I'm feelin' positive)
Feelin' free and complete from the love You give (Oh)
No, You won't ever leave me I'm positive (Is it positive?)
I'm positive, yeah, I'm positive

Gonna focus on the good, let Him handle the rest
I tried to fix my bad, I kept makin' a mess
So I made up in my mind, smile more, stress less
Gave it all to God, and He gave me a blessin'

He's a King, He's a God, He's the biggest
He's the truth, He's the light, He's the realest
When He tells me He loves me I feel it
Ain't nobody on this earth that can steal it, so I'm

Feelin' sure, feelin' clear, feelin' positive (Said I'm feelin')
Feelin' free and complete from the love You give (Yeah)
No, You won't ever leave me I'm positive (Positive)
I'm positive (Yes, I'm positive), yeah, I'm positive

Feelin' sure, feelin' clear, feelin' positive (I'm just a being)
Feelin' free and complete from the love You give (I choose to be)
No, You won't ever leave me I'm positive
I'm positive, yeah, I'm positive

Aww, you think I'm 'bout to fail, naw
That wall is just an obstacle, I'm 'bout to scale y'all
A testament I got to tell faith I'm 'bout to flex on 'em
Study for the test on 'em
Positive my God can do the rest

He's a King, He's a God, He's the biggest
He's the truth, He's the light, He's the realest
When He tells me He loves me I feel it
Ain't nobody on this earth that can steal it, so I'm

Feelin' sure, feelin' clear, feelin' positive (Said I'm feelin' positive)
Feelin' free and complete from the love You give (I choose to be)
No, You won't ever leave me I'm positive (Ayy-ayy)
I'm positive, yeah, I'm positive (Oh)

Feelin' sure, feelin' clear, feelin' positive (Said I'm absolutely, positive
ly, certainly)
(Emphatically, definitely, confidently) Feelin' free and complete from the l
ove You give
(Obviously, down right, really, really, sho'nuff) No, You won't ever leave m
e I'm positive

tive
