

Thank You, Thank You, Thank You

Erica Campbell

And even, even for the rain
Even for the mess and the mud that it made
Even for the pain, yeah
And all the reachin', huh
The reachin' in the dark
Every tear we cried
Every night, every time
Every broken heart

Mm, my head still bow
And my hands still raise
You still wear the crown in my heart always
I'm still thankin' You (Oh, Lord, I)
I'm still thankin' You (Oh, Lord, I)
I'm still thankin' You (Oh, Lord, I)
Lord, I'm still thankin' You (Oh, Lord, I)
Oh, I'm thankin' You
Oh, Lord (Hey), I

Thank You, thank You
Thank You, thank You
Thank You, thank You
Thank You, thank You (For every blessin')
Thank You, thank You
Thank You
Oh, Lord (And for ever lesson), I

Thank You, thank You
Thank You, thank You
Thank You, thank You
Thank You, thank You (For every trial)
Thank You, thank You
Thank You
Oh, Lord, I

I'm even grateful
For all the opps and the spies
They helped me see the path clear
Follow Jesus more near
Forced the old me to die
Know you thought that I was givin' up (Up, up)
Enemy was thinkin' I was gonna run
I know you thought I was throwin' in the towel
But you'll be disappointed
'Cause I'm still anointed
And I'll be here for a while

My head still bow
And my hands still raise
You still wear the crown in my heart always (Oh, Lord, I)
I'm still thankin' You (Oh, Lord, I)
I'm still thankin' You (Oh, Lord, I)
Lord, I'm still thankin' You (Oh, Lord, I)
I'm still thankin' You (Oh, Lord, I)
Oh, Lord (Oh, for my family), I

Thank You, thank You

Thank You, thank You
Thank You, thank You (Lord, You keep me happy)
Thank You, thank You
Thank You, thank You
Thank You
Oh (Oh, I'm so grateful), Lord, I

Thank You, thank You
Thank You, thank You
Thank You, thank You (For every single day and every way, I wanna say)
Thank You, thank You
Thank You, thank You
Thank You
Oh, Lord, I

Mm, for the years I would pray it be like this here (Like this here, like th
is here)
Dark times I would say I wish light were here (Light were here)
For the many odd winters out when it's blowin' cold
Had a penny I went to God when the storm blows
I went as far as I can go, then I learned, uh (Ah, yeah)
Can't do this on my own (My own)
Tried to pay my mortgage, didn't know Heaven was my home (Heaven was my—)
In debt for my sins, He gave me wins and paid my loans (My loans)
A prophet makin' profits
Payin' tithes like Monopoly
Stay inside 'cause He that dwells in the shelter of the most High
Can relax in the shade while the low tide
Roll back, it's a wave and it's on time (Oh God)
I'm not a angel, fight demons with God I tango
With my hands raised I'm shoutin' (Oh, Lord, I)
To God I'm thankful (Ayy)

God, thank You, God, thank You (Oh, Lord, I)
(Oh, Lord, I) Hey, yeah (For all the times I needed help, and they wouldn't
bother)
(Oh, Lord, I) For all Yo' love
For Your protection and Your direction (Oh, Lord, I), Lord, I

Thank You, thank You (Thank You)
Thank You, thank You
Thank You, thank You (Oh, with all of my heart, I thank You, Lord; Thank You
, Lord)
Thank You, thank You
Thank You, thank You
Thank You
Oh (Hey, hey, yeah), Lord, I

Thank You, thank You
Thank You, thank You (Said He been so good)
Thank You, thank You
Thank You, thank You
Thank You (Said You've been so good), thank You
Thank You
Oh, Lord, I

Thank You, Lord
Thank You, Lord
Oh, thank You, Lord
I just want to thank You, Lord
Oh, Lord, I
