

Guide me, ayy  
I got lots of spirits right beside me, ayy  
I don't like your parties, don't invite me, ayy  
Throw it in my face, yeah, just to spite me, I-  
Guide me  
I got lots of spirits right beside me  
I don't like your parties, don't invite me  
Throw it in my face, yeah, just to spite me, Ivy

I'm outside with my windows down  
How you unknown in your own hometown?  
Haven't been home in a while, baby, show me what I missed  
So many things that I don't know but I guess ignorance is bliss  
Ayy, she said she don't believe me  
Say I feel like garbage because that's the way you treat me  
You say that you in trouble but I ignored it completely  
Don't really know how I could put this sweetly  
You got me in your grasp, when it's over you'll release me

Guide me  
I don't like your parties, don't invite me  
I don't like your parties, don't invite me  
Throw it in my face, yeah, just to spite me, Ivy

Guide me  
I got lots of spirits right beside me  
I don't like your parties, don't invite me  
Throw it in my face, yeah, just to spite me, Ivy
