

PRETEND

ericdoa

Poppin' on this seal, she gon' wanna feel again
I've been chasin' money, bitch, I chase it till my end
I just wanna fuck lil' bitch, I don't wanna be friends
You say that you love me, but I know that you pretend

Poppin' on this seal, she gon' wanna feel again
I've been chasin' money, bitch, I chase it till my end
I just wanna fuck lil' bitch, I don't wanna be friends
You say that you love me, but I know that you pretend

I just met a bad lil' whore, she put drugs on her tongue
White bitch named Stacey and she think that I'm the one
There's weight up on my head 'cause I do not keep a gun
Ain't no fare fightin', bitch, I don't do 1 on 1
If the money callin' lil' hoe I gotta run
I've been feelin' blessed, I need my check, I need my funds
Smokin' big ice, swear this shit gon' hurt my lungs
I've been stressin' so much, this shit gon' weigh a ton
People tryna sell me put me down 'cause I'm young
Don't need your opinion, keep it a rack, don't give a fuck
Bitches from my hometown hit me up, bit that a dub
If you think I love you then you must be fuckin' dumb

Poppin' on this seal, she gon' wanna feel again
I've been chasin' money, bitch, I chase it till my end
I just wanna fuck lil' bitch, I don't wanna be friends
You say that you love me, but I know that you pretend

Poppin' on this seal, she gon' wanna feel again
I've been chasin' money, bitch, I chase it till my end
I just wanna fuck lil' bitch, I don't wanna be friends
You say that you love me, but I know that you pretend

Runnin', runnin' feelings tryna get inside my head
When I think about, girl, you know it give me stress
You treat me the worst and know I'm hopin' for the best
Think I'm better off with a knife inside my neck
I don't wanna live, I don't wanna feel regret
You could've said it all but you turned into a mess
Know I hate it around this time when I feel upset
You know I wanna die, every time you with him
When I'm gone are you really gon' miss?
Pop another one and it gon' help me feel again
You know I don't wanna live it, phenom with me in the end
When I think about you, know my heart turn to shreds

Poppin' on this seal, she gon' wanna feel again
I've been chasin' money, bitch, I chase it till my end
I just wanna fuck lil' bitch, I don't wanna be friends
You say that you love me, but I know that you pretend

Poppin' on this seal, she gon' wanna feel again
I've been chasin' money, bitch, I chase it till my end
I just wanna fuck lil' bitch, I don't wanna be friends
You say that you love me, but I know that you pretend
