

# self sabotage

ericdoa

I know you wanna see me, suffocate  
It's been so hard for me to, concentrate  
Yeah, I break it down and watch, it all decay  
I wish these stupid thoughts would, go away

I could help but I choose not  
Screaming out from the rooftops  
Thinking bout the time that you lost  
Happy it's over, but at what cost?  
I could help but I choose not  
Screaming out from the rooftops  
Thinking bout the time that you lost  
Happy it's over, but at what cost?

I know she not in love with me, she in love with drugs  
Ayy, you keep on poppin' X and O's, don't want no kiss and hugs  
Tryna get me jealous, postin' shit, bitch, I don't give a fuck  
She said that I've been her favorite one, please don't make me  
blush  
Actin' like a bad bitch  
I've been on my own, yeah, I've been tryna break these habits  
I don't want your love, yeah, you can have it  
Ayy, hit me up and ask me what I'm on, I just won't respond  
Pray to God they don't get me involved, I'll just play along  
But that's exactly what you want me to do  
You wanna stop me? Go ahead, make a move  
Runnin' out of time  
One day, I hope you'll be mine

(No, I can't stomach it)  
(No, I can't)  
(When I fall)  
(I'm hoping I land)

I could help but I choose not  
Screaming out from the rooftops  
Thinking bout the time that you lost  
Happy it's over, but at what cost?  
I could help but I choose not  
Screaming out from the rooftops  
Thinking bout the time that you lost  
Happy it's over, but at what cost?
