

Intro

Erick Sermon

Alright, today's topic is duos, dynamic duos, that's right
In order for one to begin to understand the concept of something

One must first break down this terminology

First word, dynamic

Something constantly changing

Full of energy, forceful, and capable of adapting

Last word, duo

A pair of people or things

Dynamic duo

A pair of people or things capable of adapting, constantly changing, full of energy and forceful

You understand?

I can give you an example of some dynamic duos

You like music, right? Of course you like music

Huh? Snoop and Nate Dogg

Mobb Deep

M.O.P.

What y'all, you know about M.O.P.? You don't even know about M.O.P.

Cypress Hill

Redman, Method Man, you understand

You get the, you get the point now, huh

I want to introduce you to a project put on by one man, a visionary

Who believes in dynamic duos and is gonna present them to you like never before

His name is Erick and this is his sermon
