

Look At 'Em

Erick Sermon

It's start time
E double, uh
Meth' will spell trouble (Yeah)
Behind the bubble
Alright, yeah
Alright, yeah
Funklordian what's good?
Uh, yeah

Look, I give a bad name a bad name
I'm bad boy, and this bad boy do bad things
You rap dudes is missing the point, it's bad aim
And if I'm missing the point, then I'm just having a bad game
E, things changed since the cash came (Yeah)
I added Blaze to my last name to smack flames
Outta rappers, you mad rappers, it's mad lame
No cap homie, that iron on me don't act strange
Marvel at me, I'm low key but gang gang
Brother got a hammer, provoke me, then bang bang
Press delete on your mainframe you lame brains
And these five girls, it's a different world, Dwayne Wayne
You know [?], but I'm harder son
I tell a hater to get a life, but borrow one
Uh, you need to stop it where you started from
'Cause y'all don't get how I get it where I got it from

You thought a nigga wasn't gon' survive, huh?
I proved that the devil is a lie, huh
My IG live is on fire, huh
That's why I'm the nigga you admire, huh
Look at him (Okay, how you feel out there)
What you boys talking about? (Yeah)
Look at him (How you feel out there)
Let's go nigga

Yo, I hustle hard, but I'm trap free
Good life, booty calls like Blackstreet
I carry 19 without the vaccine
I'm on real nigga time, exactly
Madagascar, how I fill the catalog (Yeah)
I ain't lying
When I eat, I'm an animal
I got a hitchcock belly from hip-hop
And you lip syncing with flip-flops on TikTok
Yo, I motivate my whole city
I'm making the bands cheesecake, the old Diddy
You young boys still split 50-50 (Yeah)
A boss nigga never do 50-50 (Get your weight up, nigga)
You can't copy the God design (Get back)
Sure I know my pen got a beautiful mind (Beautiful mind)
Sabase, sabase
My intel lil' Denzel
He got game, yo

You thought a nigga wasn't gon' survive, huh?
I proved that the devil is a lie, huh
My IG live is on fire, huh

That's why I'm the nigga you admire, huh
Look at him (Okay, how you feel out there)
What you boys talking about? (Yeah)
Look at him (How you feel out there)
Let's go nigga

Yo, my whole crew going off (Huh, yeah)
My cell phone going off (Huh)
Yo, my whole city going off (Huh, yeah)
Just recognize I'm a boss (Huh)
Look at him
My whole crew going off (Huh, yeah)
My cell phone going off (Huh)
Yo, my whole city going off (Huh, yeah)
Just recognize I'm a boss (Huh)
Look at him
