

# Breaking The Waves

Erik Hassle

Over and over love  
We keep picking up the pieces  
Don't know who's chasing you, love  
Why you trying to

Keep breaking the waves, baby  
They'll be pulling you down again  
Every night I'm wishing you  
Getting washed up on the shoreline  
You're only breaking yourself  
Every night I'm wishing you  
Aye-oh aye-oo aye oh  
Know you'll never be  
Aye-oh aye-oo aye oh  
Forever I'll be wishing you  
Aye-oh aye-oo aye oh  
I know you'll never be  
Never be  
Never be mine

Remember there was a time  
When I thought you were unbreakable  
When I fell in love with you  
I saw you run into the ocean

Keep breaking the waves baby  
They'll be pulling you down again  
Every night I'm wishing you  
Getting washed up on the shoreline  
You're only breaking yourself  
Every night I'm wishing you  
Aye-oh aye-oo aye oh  
Know you'll never be  
Aye-oh aye-oo aye oh  
Forever I'll be wishing you  
Aye-oh aye-oo aye oh  
Oh I know you'll never be mine  
Never be mine (never be, never be mine)  
Oh you'll never be  
Oh you'll never be
