

# This Is the Moment

Erik Santos

This is the moment  
This is the day  
When I send all my doubts and demons on their way  
Every endeavor I have made ever  
Is coming into play, is here and now today

This is the moment, this is the time  
When the momentum and the moment are in rhyme  
Give me this moment, this precious chance  
I'll gather up my past and make some sense at last

This is the moment, when all I've done  
When all the dreaming, scheming and screaming become one  
This is the day, see it sparkle and shine  
When all I've live for becomes mine

For all these years  
I've face the world alone  
And now the time has come  
To prove to them I've made it on my own

This is the moment, My final test  
Destiny beckoned, I never reckoned second best  
I won't look down, I must not fall  
This is the moment, the sweetest moment of them all

This is the moment, damn all the odds  
This day or never, I'll sit forever with the Gods  
When I look back, I will always recall  
Moment for moment  
This was the moment  
The greatest moment  
Of them all
