

Don't Worry

Erika Costell

You say I'm bout to lose it
Acting foolish, nothing without you
Say I can't get over, can't get closure
It's all about you
It's like you're out to hurt me
Guess it's working, but it ain't nothing new

I don't know what you're doing it for
I'm not thinking about it anymore
And you should know that it's water under the bridge
'Cause I lit that shit on fire, oh yeah

Don't worry, don't worry 'bout me
Don't worry 'bout me no more
Don't worry, don't worry 'bout me
Don't worry 'bout me no more
I promise I put it to sleep
Ain't nothing I want you for
I don't need your condolences
You don't have to pretend we're friends

Don't worry, don't, don't, don't, don't, don't
Don't worry, don't, don't, don't, don't, don't

It's like you're always knowing where I'm going before I'm there
It's like you say you're broken and you're hopeless, boy, you don't care
We know you're always up to something, nothing good for me

I don't know what you're doing it for
I'm not thinking about it anymore
And you should know that I finally see what it is
And you can't help, you're a liar, oh, yeah

Don't worry, don't worry 'bout me
Don't worry 'bout me no more
Don't worry, don't worry 'bout me
Don't worry 'bout me no more
I promise I put it to sleep
Ain't nothing I want you for
I don't need your condolences
You don't have to pretend we're friends

Don't worry, don't, don't, don't, don't, don't
Don't worry, don't, don't, don't, don't, don't, don't worry
