

Petty Isn't Pretty

Erika Costell

Anywhere I go, yeah, you follow
Always creepin' up on me like a shadow
But you don't get to me when you pull up
You don't really matter at all

Well, you been talkin' and talkin' and talkin' back (yeah!)
You keep on lyin' and lyin' about the past
But I'mma stay unbothered, you do what you wanna
'Cause it's kind of sad

Petty isn't pretty, petty isn't pretty (petty, petty, petty, oh
)
Petty isn't pretty, petty isn't pretty (petty, petty, petty, oh
)

When I'm on your mind, yeah, it kills you
You tell everyone I still wanna be with you
Can't accept I'm better off alone now
And you don't really matter at all

Well, you been talkin' and talkin' and talkin' back (yeah!)
You keep on lyin' and lyin' about the past
But I'mma stay unbothered, you do what you wanna
'Cause it's kind of sad

Petty isn't pretty, petty isn't pretty (petty, petty, petty, oh
)
Petty isn't pretty, petty isn't pretty (petty, petty, petty, oh
)
Petty isn't pretty, petty isn't pretty (petty, petty, petty, oh
)
Petty isn't pretty, petty isn't pretty (petty, petty, petty, oh
)

Do me, do me bad
You just holdin', you just holdin' yourself back
Until you're runnin' out of, runnin' out of breath
And oh it's kind of sad

Petty isn't pretty, petty isn't pretty (petty, petty, petty, oh
)
Petty isn't pretty, petty isn't pretty (petty, petty, petty, oh
)
Petty isn't pretty, petty isn't pretty (petty, petty, petty, oh
)
Petty isn't pretty, petty isn't pretty (petty, petty, petty, oh
)
