

Home Alone

Erika De Casier

Are you alone too?
Yeah, what you up to?
Me, I got nothin' to do
But I could think of one thing or two
I'm home alone and I got no plans
Put your hands on my body like damn
You know why I'm really calling

Hmm-yeah
Do a lil something like hmm-ah
In the dark covered in moonlight
Doing you tonight and I'm down with that
I'm fine with that
Like ugh-yeah
Bodies swaying like hmm-yeah
Do you feel the heat 'cause I'm loving that
Working up a sweat and I'm down with that
I'm fine with that
(Ah, ah, ah)
(Ah, ah, ah)

Sexy, sexy, on my back (ah, ah, ah)
Swimming in my dreams like hmm yeah
I'm coming up for air from beneath the sea
And when I reach the sky, will you come with me?
I got fantasies
What you want, what you want? I got loads
Keep going, don't stop, I want more
I think you look gorgeous
Trust is the key to my door
Open up, op-open up slowly, hmm
You know why I'm really calling

Hmm-yeah
Do a lil something like hmm-ah
In the dark covered in moonlight
Doing you tonight and I'm down with that
I'm fine with that
Like ugh-yeah
Bodies swaying like hmm-yeah
Do you feel the heat 'cause I'm loving that
Working up a sweat and I'm down with that
I'm fine with that
(Ahh, hmm)

What you wanna do?
(Hmmm)
I got a few ideas
Hmmm

Hmm-yeah
Do a lil something like hmm-ah
In the dark covered in moonlight
Doing you tonight and I'm down with that
I'm fine with that
Like ugh-yeah
Bodies swaying like hmm-yeah

Do you feel the heat 'cause I'm loving that
Working up a sweat and I'm down with that
I'm fine with that
Ah, ah, ah, ah

Sexy, sexy, sexy, sexy
Sexy, sexy, sexy, sexy
Sexy, sexy, sexy, sexy
Sexy, sexy, sexy, sexy
Sexy, sexy, sexy, sexy
Sexy, sexy, sexy, sexy
Sexy, sexy, sexy, sexy
Sexy, sexy, sexy, sexy
Sexy, sexy, sexy, sexy
Sexy, sexy, sexy, sexy
