

Two Thieves

Erika De Casier

A bit of fragrance
On my neck
Lure you in
Ah-ah

Eyes half open
I feel so bold
Call you in
Ah-ah

Like two thieves in the night
We will lock our eyes in silence

I came up with another excuse to get all dressed up
Looked at all the people on my feed and I felt tempted

A bit of fragrance
On my neck
Lure you in
Ah-ah

Eyes half open
I feel so bold
Call you in
Ah-ah

Like two thieves in the night
We will lock our eyes in silence

It felt like my body was a weapon
I couldn't help it
The deepest, farthest ocean
I might just go there
With just lipstick, blush
Eyes half open and a fooling that's so bold
