

Dignity

Erin McCarley

Future family you feel
We're fighting for the freedom
We don't wanna bend back time now
They're yelling from the roof
Bananas slipping on the truth
And driving nails into my mind somehow

Are we living inside the upside down, baby
Are we living inside the upside down, maybe

Dignity, make your mind up
You know I know we're not alone
I thought that maybe we had grown up
Now there's silence on the radio
You keep on rising
I can't keep quiet
Whoa, am I getting through to you?
Dignity, make your mind up
Make your mind up
Make your, make your mind up

Diamonds in their eyes
Blood shot into the sky
He's got you puffing up your chest, big boy
They're mining for the gold
Same shit, it's getting old
Sending rockets to shock us
140, don't block us

Are we living inside the upside down, baby
Are we living inside the upside down, maybe

Dignity, make your mind up
You know I know we're not alone
I thought that maybe we had grown up
Now there's silence on the radio
You keep on rising
I can't keep quiet
Whoa, am I getting through to you?
Dignity, make your mind up
Make your mind up
Make your, make your mind up

You say I'm noisy
I'm just getting started
You think my voice
Is something you can take
You say I'm noisy
Yeah I'm just getting started
This is my voice, is my voice, my voice

Dignity, make your mind up
You know I know we're not alone
I thought that maybe we had grown up
Now there's silence on the radio
You keep on rising
I can't keep quiet

Whoa, am I getting through to you?
Dignity, make your mind up
Make your mind up
Make your, make your mind up

Dignity, make your mind up
Make your mind up
Make your, make your mind up
