

# Don't Worry 'Bout Me

Erin McKeown

Don't worry about me, I'll get along  
Forget about me, be happy my love  
Let's say that our little show  
Is over and so  
The story ends  
Why not call it a day  
The sensible way  
And still be friends?

Look out for yourself should be the rule  
Give your heart and your love to whomever you love  
Don't you be a fool  
Darling why should we cling  
To some fading thing  
That used to be  
If you can forget, don't worry about me

Look out for yourself should be the rule  
Give your heart and your love to whomever you love  
Don't you be a fool  
Darling why should we cling  
To some fading thing  
That used to be  
If you can forget, don't worry about me
